Current Series In Progress:

*Unnie's
Taste*

RAWs: Zippy Anon

Lets go back to the drawing board and I'll tell you more about the work form the beginning...

I tried to make the most of the feelings of the main outlines that Jang Jin had drawn

Early design work

Ye-na had a braid in her hair

Ha-yeong was a made cute as possible~!

Personally, I think it's the most different image of the current image Yun Taech

I guess it was the hardest thing is to make two different images feel similar

He-h Taech was my favorite character to draw

It never really showed the full body of each character in the story

These are from already 1 year ago

I made various school uniforms, but only the ones from the story were used

Im glad you like Unnie's Taste its time to send it away

Now that Unnie's Taste is over, I will go to take a very long break to rejuvenate my health

Finally

Readers!

Thank you
